We are happy to discuss other ways and opportunities to leave a legacy beyond those included in the chart above. Please note that some naming opportunities may already have been claimed. We will honor naming opportunity requests in the order received and will notify donors if their choice is not available. Naming opportunity requests must be verified by The Pathway School Development Office before they are finalized.

For additional information and to discuss your naming opportunity preference, please contact Jory Barrad, Director of Development, at 610.277.0660 x258 or jbarrad@pathwayschool.org.
